**In 1953**  
**BLUE CROSS-BLUE SHIELD**  
**benefits for 535,419 Michigan people**  
**amounted to over \$25,000,000 for doctors'**  
**services and more than \$65,000,000**  
**for hospital services!**

In 1953 alone, Michigan families shared in \$90,000,000 in Blue Cross - Blue Shield health-care benefits. The cost of these benefits would have been beyond reach for many of these families—had they *not* subscribed to Blue Cross - Blue Shield.

More and more, the people of Michigan are protecting themselves against the cost of sickness and accidents by subscribing to Blue Cross - Blue Shield. Today, 3,000,000 people are protected. And, in Michigan, more people have Blue Cross - Blue Shield protection than all other available plans combined!

The growing membership in Blue Cross - Blue Shield is a clear indication of the confidence people have in your health-care plans. It is also a tribute to you who make Blue Cross - Blue Shield possible—the over 200 participating hospitals and nearly 5,000 participating doctors in Michigan. You may be proud of the way your non-profit plans are meeting the modern health-care needs of the public.

**BLUE CROSS-BLUE SHIELD**

**The hospitals' and doctors' own non-profit  
health-care plans for public welfare**
